Sponsorship for Linhill Celtic Football Club u12

Dear (Potential Sponsor)

Good morning. I hope this message finds you well. My name is Samantha Traut, and I am the club secretary and little league manager for Linhill Celtic Football Club, based in Johannesburg, South Africa. I am reaching out to share an exciting and transformative opportunity for our U12 soccer team and to seek your support in making this dream a reality.

Our U12 boys have been presented with a once-in-a-lifetime chance to travel to the UK, where they will train with top-tier clubs such as West Ham United, Fulham, and Charlton Athletic F.C., and participate in sessions with Tek4Tekkers. This unique opportunity will allow our talented and dedicated young athletes to develop their skills, gain invaluable international experience, and be inspired by the global soccer community.

This trip promises to be an extraordinary experience for our boys, who are at a crucial stage in their development. Attending training sessions at Premier clubs will greatly enhance their technical, tactical, physical, and psychological skills. Our team, comprised of 16 boys from diverse backgrounds, have already demonstrated exceptional talent and teamwork; currently competing in the top league of the NS League under the SLFA, with an unbeaten record so far this season.

However, undertaking such a significant journey requires substantial financial support. As a youth development club and a non-profit organization, we rely solely on sponsorships and donations to fund our activities. We are seeking the support of esteemed organizations and individuals who share our passion for youth development and sports excellence to help cover travel expenses, accommodation, training fees, and other essential costs associated with this international training program.

By sponsoring Linhill Celtic F.C., you will not only be investing in the future of these promising young players but also contributing to the broader community. Soccer for our boys is more than just a game; it teaches them valuable life skills such as teamwork, discipline, resilience, and the importance of hard work. Your support will provide these children, many of whom come from less advantaged backgrounds, with a unique opportunity to broaden their horizons, build their confidence, and inspire them to strive for excellence on and off the field.

Linhill FC focuses on developing football in the Southern Johannesburg area.
We have a proud community heritage, with traditional family values.

In recognition of your generosity, your brand will receive significant exposure through our club's social media platforms, website, and local media coverage. Additionally, your logo will be proudly displayed on our team's training gear and match kits during their UK tour, showcasing your support to a wider audience.

We believe that with your support, we can provide these young athletes with an unforgettable experience that will shape their futures in profound ways. Thank you for considering our request. We look forward to the possibility of partnering with you to make this dream come true for the Linhill Celtic F.C. U12 team.

Linhill Celtic Football Club is an EME that caters to over 80% black beneficiaries.
